your VEHICLE LOAN RATE!

Thinking about buying a new vehicle . . . Why not fill out a “loan application” now. Once approved, it is good for 90 days and you will get a certificate from your Credit Union stating you’re approved and for how much. It’s a great negotiating tool when “haggling for price” with the dealer. And, your loan rate will be 1/2% less than the regular loan rate because you “GOT PREAPPROVED”.
